 - Each \$10 side bet represents a share in the team you select. Shareholders in teams that place in the top 3 will split that respective place money. Place payout is as follows:

ADDITIONAL RULES

- There will be no playing or practicing on the course after pins are set for tournament play.
- There will be no Mulligans and no gimmies.
- Play winter rules everywhere. However, this cannot be used to gain relief or improve your position. (For example, if the ball is in the rough, it must stay in the rough. If the ball is behind a large tree, it must stay behind the large tree. Etc.). This means you may improve your lie, but not your position.
- Play ready golf. (If in position to do so, two teams may hit at the same time to speed up play).
- In case of a tie for 1st place, the winner will be determined by sudden death playoff using hole #9 until decided. All other ties will be decided by handicap holes on score card (ie: hole 6, then hole 15, etc.).
- If for any reason a player needs a substitute, the organizers will do our best to find a sub with a similar handicap from our members. If none are available, we may use a non-member of similar handicap. If a substitute cannot be found, the higher handicap person on the team will hit two shots each time.
- Should there be any rules of play uncertainties that arise on the course, we ask that the involved groups attempt to resolve the situation in a manner that is consistent with the intent of the tournament (see below) and is fair to both the entire group and the players involved. If an "official" ruling is needed, please contact one of the tournament organizers. The organizers' decision is final.
- This tournament is being organized as another fun event for our members and as an additional way to contribute funds to needed renovations. Good sportsmanship and ensuring those around you are having a good time is encouraged and appreciated. Taking play too serious would not be in the spirit of the event.

THANK YOU!
